

Dear Bulk Energy,

On behalf of Core Dental Group, I'd like to extend our appreciation for your handling of our recent energy contracts renewal project.

Having Bulk Energy worked directly with the energy retailers, knowing that you are independent and non-biased in your advice, gave me comfort.

Your process, thorough analysis of each retailer's tender and shortlist of recommendations have given me confidence that we have secured the best possible deal. Overall we saved \$12,000 per annum, which equated to about 14% of our total spend.

I was also happy with other aspects, such as checking my first bill for accuracy and your customer service.

I am more than happy to recommend Bulk Energy to any other business customer, and can be contacted on the details below.

Yours faithfully,
